

BOUTIQUE NOËL 2008 EVALUATION

This is an anonymous survey. Please take a few minutes to complete these questions and provide us with your thoughts and suggestions to help us do a better job next year.

What did you think of the Boutique, in general? Floor layout? Staffing? Decorations? Displays?

What did you think of the vendors? What types of vendors would you like to see added?

What did you think of the days or times of the boutique? Should we stay open later on Friday, Saturday, or Sunday or close every day at 6:00 pm?

We are considering holding the Boutique 1 week earlier than usual so as to not conflict with Halloween or Treats in the Streets. Do you think this is a good idea? Why or why not?

Any other suggestions or comments?
